## About Us

Unique Exhibitions and Events is a leading name in the exhibition and events infrastructure industry, headquartered in Mumbai with a strong operational presence across India, including Delhi, Bengaluru, Chennai, Ahmedabad, Goa, and more. Our **Delhi branch** is fully equipped with modern infrastructure to cater to regional and national clients efficiently.

We offer end-to-end solutions encompassing venue setup, customized booth design and construction, state-of-the-art audio-visual arrangements, and a range of vital services that ensure impactful and successful exhibitions and events.

With experience spanning domestic and international markets, Unique Exhibitions and Events proudly extends its services overseas, demonstrating our ability to manage global-scale events with precision and excellence.

## Facilities

At Unique Exhibitions & Events, we have a proven track record of delivering an average of over 50,000 square meters annually of shell scheme stalls with front Maxima at leading exhibitions across India.

Our services go beyond booth construction. We provide a complete range of utility and support services, including:

- Lounges
- Registration support
- Conference facilities
- Cafeteria management
- B2B meeting facilitation

We are fully equipped to orchestrate innovative, high-impact events for prominent brands. No matter the size of the stall, our turnkey solutions cover every phase—from conceptualization and design to fabrication, logistics, and on-site management.

Our team of professional planners is not only experienced but also expertly trained to ensure efficient, timely, and high-quality execution of every project.
